Achieving more with less

Leadership skills and strategies for leading an effective in-house legal and compliance function

Madrid, 16 - 17 February 2010

A highly practical and interactive 2-day training for in-house lawyers within Iberian and European businesses.

The In-House College will assist participants in:

- ✓ Budgeting and getting better financial controls;
- ✓ Understanding how to co-ordinate the evolving responsibility and roles of the legal team (eg compliance, corporate governance, legal risk management, etc);
- ✓ Deciding what tasks should be led by the legal team or managed more cost-effectively by other departments or external lawyers;
- ✓ Understanding the impact of current legal changes (eg Sustainable Economy Law) with strategic legal briefings;
- ✓ Recruiting and retaining lawyers, leadership skills and getting the most out of the legal team.
